

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to providing new design concepts and top quality so as to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They enjoy providing products which energize both their dealers and their partners and provide production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements along with their comprehension of cleaning applications, together with owners' strong desire to dramatically lessen expense through productivity gains.

When considered necessary, the workers within TREK and its several dealer members in both technical support and parts would be obtainable. One of their core values is their high service dedication in their customer service. Keeping their clients' cleaning machinery working and ready day after day is top priority. The company's top of the line technology delivers dependable machinery which eventually lessens your cleaning cost. The price, the service and the product all work together so as to make them the leader in the industry.
