

Fork Mounted Sweeper

Fork Mounted Sweeper - This accessory makes industrial sweeping tasks a lot easier to accomplish. The handy lift truck mounted broom is designed for use with either wet or dry material clean ups. It can squeegee water and push snow without difficulty. This particular attachment is often utilized so as to clean garbage from docks, parking lots, warehouses, construction sites and almost everywhere it is considered necessary. The lift truck sweeper is a low maintenance accessory which uses quick-tite fork products to easily mount to the lift truck.
